

FB Royal Gloss 310gsm

Digital & Fine Art Archival Printing Solutions for the Imagemaker

DESCRIPTION OF PRODUCT

FB Royal Gloss is an amalgamation of the most popular characteristics and features of FB Gloss & FB Royal. The enhanced coating has been placed on a new 310gsm base, delivering a flatter product for easy printer loading. It has a beautiful, natural white, acid-free base with the same subtle undulations in the paper base itself. Improved multi-layer technology delivers the highest colour gamut with pigment inks which delivers an exceptionally high D-Max rating which enhances both colour & monochrome reproductions.
