

## Jupiter Matt Canvas 350gsm

Digital & Fine Art Archival Printing Solutions for the Imagemaker

### Description of Product:

A subtle textured natural white poly cotton matt canvas like structure, suited for portraiture and landscape reproductions. No OBA's.

The smooth base and highly developed ink receiving layer provides a wonderful tonal range that is great for both colour and black and white.

Always varnish your canvases with the PermaPROtect range of varnishes to enhance your artwork but more importantly protect them from UV pollutants & yellowing.
